SUMMER RESOURCE GUIDE 2022

NEW YORK CITYWIDE PROGRAMS

Program Title: Summer Youth Employment Program

Application: Will be released on March 1

Program Summary: Summer Youth Employment Program (SYEP) is the nation's largest youth employment program, connecting NYC youth between the ages of 14 and 24 with career exploration opportunities and paid work experience each summer. Participants have the opportunity to explore their interests and career pathways, develop workplace skills and engage in learning experiences that help in developing their social, civic and leadership skills. By participating in structured project-based learning and work-based opportunities, NYC youth are better prepared for careers of the future.

Special programming available for NYC youth through SYEP

- NYC Teens aged 14-15 can participate in paid project based learning activities which will help them explore different career opportunities
- Young people aged 16-21 can apply for paid Summer Jobs in a variety of industries throughout NYC

Important things to note:

Host Agency: Department of Youth and Community Development

Eligibility Requirements: Ages 14-21, NYC resident, eligible to work in the U.S.

Application Materials: Online application- **will be released on March 1**

Link: <https://www1.nyc.gov/site/dycd/services/jobs-internships/about-syep.page>

COLLEGE PREP & ACADEMIC SUPPORT

Program Title: NYU College Access Leadership Institute (CALI)

Application Deadline: April 5th, 2022

Program Summary: This one-week program will be led by NYU Admission counselors and will include workshops and seminars that prepare students for the college application process and to succeed in college. Students will learn to develop their college list, succeed at standardized testing, write their college essay, apply for financial aid and much more. Once the student graduates the program, they will be certified College Access Ambassadors and act as mentors and advisers in their respective high schools, conducting their very own college application workshop for their peers. If selected, students are awarded a full scholarship to the institute and fee waivers are available for NYU Applications should students decide to apply to NYU for university.

Important things to note

Program Dates: July 11-14

Eligibility Requirements: Currently in 10th or 11th grade

Application Materials: Online Application, transcript, essay, and letter of recommendation

Link: <https://www.nyu.edu/admissions/high-school-programs/nyu-cali.html>

SUMMER RESOURCE GUIDE 2022

[Program Title: Carleton Liberal Arts Experience \(CLAE\)](#)

Application Deadline: March 27, 2022

Program Summary: Carleton College is honored to host an inspiring summer program designed for the best and brightest college-bound students representing high schools across the country. The Carleton Liberal Arts Experience (CLAE) will select 52 high school students who have just completed their sophomore year and bring them to Carleton, all expenses paid, for a one-week summer program. The CLAE program introduces the strengths of a liberal arts education through an array of courses in science, art, social sciences, and technology.

Recent CLAE course offerings include:

- The African American Experience
- Schooling, Opportunity, & Identities in the U.S
- What We Don't Know We "Know": Pop Culture and the Distortion of Reality
- Religion and the Black Freedom Struggle
- DNA Fingerprinting: The Science of Forensics

In addition, workshops are offered to assist participants with their high school and college careers. Past workshop offerings have included:

- ACT & SAT Preparation
- Keys to Getting Into College: What You Need to Know about the Application Process and Financial Aid

Important things to note:

Host College/University: Carleton College (MN)

Program Dates: Saturday, June 25, 2022, through Saturday, July 2, 2022

Financial Support: All expenses paid

Eligibility Requirements: Students of African American descent or students who have an interest in African American culture are encouraged to apply. Applicants must be college-bound high school students who are currently sophomores.

Application Materials: Online application (including several short-answer essays; high school report card or transcript; at least one letter of recommendation from an academic teacher, counselor, or mentor.

Link: <http://apps.carleton.edu/summer/clae/>

LAW & CRIMINAL JUSTICE

Program Title: New York County District Attorney's Office High School Summer Internship Program

Application Deadline: March 4th, 2022 at 5:00pm

Program Summary: The New York County District Attorney's High School Internship Program is a rigorous internship that provides students with an insider's view of the criminal justice system. Each intern is assigned to a unit within the Office and helps Assistant District Attorneys and other staff members with their work. Interns also attend presentations and trips and participate in a mock trial competition. Participants will take part in a series of

SUMMER RESOURCE GUIDE 2022

presentations and conversations with staff in order to build an understanding of how policies are developed and implemented.

Important things to note

Eligibility: Applicants **must** live in Manhattan or attend school in Manhattan and be in 10th, 11th, or 12th grade

Application Materials: One page resume, 300-word essay and letter of recommendation

Internship Dates: Applicants must commit to attending one of the two available 4-week internship sessions and participate virtually Monday – Friday from 11 am – 1 pm, with the possibility of in-person (Virtual Session 1: July 5-29, 2022 or Virtual Session 2: August 1-26, 2022)

Link: <http://manhattanda.org/high-school-internship>

Program Title: NYPD Law Enforcement Explorers

Application Deadline: Rolling Admission

Program Summary: The Law Enforcement Explorers program provides young men and women from the city's diverse communities with an introduction to a career in law enforcement or a related field in the criminal justice system. The program, geared for ages 14 to 20, often results in strengthening ties between the community and police. Explorers are taught the importance of higher education, self-discipline, and respect for diversity and human dignity through training, involvement in community service projects, and other Exploring events.

Important things to note:

Financial Support: N/A

Eligibility Requirements: Ages 14-20

Application Materials: Online Application

Link: <http://www1.nyc.gov/site/nypd/services/law-enforcement/youth-programs/explorers.page>

Program Title: FDNY Exploring Program

Application Deadline: Rolling Admission

Program Summary: The FDNY Exploring Program is part of the Greater New York Councils Exploring Program. The Exploring Program gives New Yorkers between the ages of 14 to 20 the opportunity to gain valuable insight into a career at the Fire Department, while simultaneously building plans for their futures. The innovative program helps participants gain work experience and assistance with educational and fitness requirements that are critical to successfully pursuing a career at the FDNY. Participants also develop contacts with FDNY Firefighters, EMTs, Paramedics and others already on the job.

Important things to note:

Financial Support: N/A

Eligibility Requirements: Ages 14-20; currently attending school or GED Equivalent, proof of ability to maintain satisfactory GPA, provide a doctor's letter of good health, be able to attend **four** meetings per month and pay fee of \$15

Application Materials: Application is online

Link: <https://www.joinfdny.com/youth/>

SUMMER RESOURCE GUIDE 2022

STEM (Science, Technology, Engineering, Math) & Health

Program Title: Applied Research Innovations in Science and Engineering (ARISE)

Application Deadline: March 1st, 2022 at 11:59 PM

*Approximately 60-66 placements are available for the summer of 2022.

Program Summary: This **free** selective program is for academically strong, current 10th and 11th grade New York City students with a demonstrated interest in science, technology, engineering and math (STEM). This full-time, seven week program includes: College level workshops and seminars, a high level research experience in participating NYU faculty labs, and mentoring in that placement by a graduate or postdoctoral student. In the seminars and workshops, students will be introduced to the scientific method and ethics, data collection and analysis, research practices and lab safety. Students will also receive hands-on experience in labs, as well as training in presentation and public speaking.

Important things to note:

Host College/University: NYU Tandon School of Engineering

Program Dates: June 28th to August 13th, 2022 (orientation June 24th, 2022). Full time, Monday-Friday from 9am to 5pm (and at least one day per week until 6pm).

Financial Support: \$750 stipend

Eligibility Requirements: Applicants must be residents of the City of New York (**must live in one of the five boroughs**) and will be completing 10th or 11th grade in June 2022

Application Materials: Online application (including transcript, one support letter, an essay, and a designated research area of interest)

Link: <http://engineering.nyu.edu/k12stem/arise/>

Program Title: Computer Science for Cyber Security (CS4CS) Summer Program for High School Women

Application Due: April 13, 2022

****Summer 2022 Application Open Now****

Program Summary: A **free**, three-week, full-day summer program providing an introduction for high school women on the fundamentals of cyber security and computer science at the NYU Tandon School of Engineering. No background or experience in cybersecurity or computer programming is needed in order to apply, only your interest and enthusiasm. The program is led by members of the Department of Computer Science and Engineering and the Offensive Security, Incident Response and Internet Security (OSIRIS) Laboratory. Housing, transportation, and meals are not provided. Participants should live year-round in New York City or in neighboring cities such as Newark, Hempstead, or Jersey City.

Important things to note:

Host University: New York University

Program Dates: July 11 - July 29th, 2022 Program runs full days (9am to 3pm), five days a week

Eligibility: Applicants must be residents of the five New York City boroughs or neighboring cities such as Jersey City, Newark or Hempstead and in the 9-12 grade

Application Materials: Online application; unofficial **or** official transcript

Link: <http://engineering.nyu.edu/k12stem/cs4cs/>

SUMMER RESOURCE GUIDE 2022

Program Title: High School Initiative in Remote Sensing of the Earth Systems Science & Engineering (HIRES)

Application Deadline: March 31st, 2022

****Up to 25 placements are available for the summer program****

Program Summary: HIRES provides an advanced STEM research opportunity to New York City students with little or no access to high quality STEM education experiences. Students from demographic groups traditionally underrepresented in STEM disciplines and careers, including women, students of color and those from low income backgrounds, are strongly encouraged to apply.

The 7-week program (July through August), integrates pre-college credit courses (computer analysis; GIS and Remote Sensing – 3 credits); hands-on research; along with learning modules in Earth Sciences and Engineering (ESE). Students participate in field trips during the course of the program, and present their research at the end of the summer program at CUNY STEM Summer Research Symposium.

Important things to note:

Host College/University: City University of New York

Program Dates: Spring Semester-Summer (Dates vary by University site)

Financial Support: \$1000 stipend and 3 college credits

Eligibility Requirements:

- Applications must be New York City residents
- Applicants should be academically strong, highly motivated students
- Applicants with a passion for science, technology, engineering, and math
- Responsible students who have demonstrated: an ability to make and fulfill commitments, timeliness, and persistence
- Students who are currently enrolled in (or have completed) algebra 2/trigonometry or pre-calculus
- Regents score requirements on website

Application Materials: Official application (personal information/statement of interest); Regents, PSAT, or SAT scores; letter of recommendation from a teacher; high school transcript

Link: <http://crest.cuny.edu/hires/apply-now/>

Program Title: NASA Internship Programs

Program Summary: NASA internships, fellowships and scholarships leverage NASA's unique missions and programs to enhance and increase the capability, diversity and size of the nation's future STEM. NASA Office of STEM Engagement (OSTEM) paid internships allow high school and college-level students to contribute to agency projects in either research or other experiential learning under the guidance of a NASA mentor.

Important things to note

Program Dates: Varies

Financial Support: Possible stipend award

Eligibility Requirements: Must be at least 16 years of age and a current sophomore, junior or senior, a U.S. citizen, and have a 3.0 GPA

Application Materials: To apply to NASA internships visit <https://nasacentral.force.com/s/explore-opportunities>

SUMMER RESOURCE GUIDE 2022

[Program Title: Summer Neuroscience Program at Rockefeller University](#)

Application Deadline: March 20, 2022 at 11:59 PM

Summary: The Summer Neuroscience Program at The Rockefeller University is a two-week science outreach program for NYC public high schoolers. The program is led by graduate students and takes a look at ongoing research in neuroscience in an effort to understand how our brain works and how it relates to our daily life. Students will participate in interactive lectures, dissecting a brain, visit research facilities, meet with scientists, and more.

Important things to note

Host University: The Rockefeller University

Program Dates: August 15-26, 2022, meeting Monday – Friday, 9:30 am to 4:00 pm

Financial Support: All expenses are covered (e.g. MTA passes, meals, and all necessary equipment and supplies)

Eligibility Requirements: Must be at least 16 years old, enrolled in a NYC public school and commit to the full program

Application Materials: Online application (submitted by student) and a reference form (submitted by teacher/mentor)

Link: <https://www.rockefeller.edu/outreach/snp/>

[Program Title: Girls Who Code](#)

Application Deadline: March 18th, 2022

Program Summary: Girls Who Code is **offering two free** programs in the summer. Applicants can apply for BOTH programs however, students can only participate in one Summer Program. **The Summer Immersion Program** is a virtual, 2 week introductory Computer Science course, and no previous experience is required. Participants learn web development with HTML, CSS, and JavaScript while getting an inside look into the tech industry through incredible company partners

OR

In the **Self-Paced Program** students are able explore introductory coding with HTML, CSS, JavaScript, or more advanced applications of Python with a focus on cybersecurity. Students have **6 weeks** to complete course projects at their own pace while having the opportunity to build community through weekly advisory sessions and activities.

Important things to note

(Summer Immersion Program)

Program Dates: Round 1: Friday, June 17th, 2022 - Friday, July 1st, 2022, Round 2: Monday, July 11th, 2022 - Friday, July 22nd, 2022, Round 3: Monday, August 1st, 2022 - Friday, August 12th, 2022

Eligibility: 9th through 11th grade female-identifying and gender non-conforming people; regular, **2 week** mandatory attendance

Application materials: Online application

Financial support: \$500 needs-based grant provided

Link: <https://girlswhocode.com/programs/summer-immersion-program>

(Self-Paced Program)

Program Dates: July 5th - August 12th, 2022

Eligibility: 9th through 12th grade girls and gender non-conforming people

Application materials: Online application

Link: <https://girlswhocode.com/programs/summer-immersion-program>

SUMMER RESOURCE GUIDE 2022

Program Title: Science Research Mentoring Program

Application Deadline: March 28th, 2022 at 9 pm

Program Summary: The Science Research Mentoring Program at the American Museum of Natural History (AMNH) is an opportunity for NYC high school students to conduct **one year (August 2022 - June 2023)** of scientific research with AMNH scientists. High school students get paid to conduct research and work with peers and scientist mentors twice a week throughout the school year (4hrs/week) on a project that has never been done before. Students will gain new skills such as working with DNA in the lab, analyzing data from space based telescopes, learning to code and analyze data in Python, R, and other programming languages and more.

Important things to note:

Host: American Museum of Natural History

Eligibility Requirements: Applicant must be in the 10th or 11th Grade and passing your classes for the last three or more semesters and Participated in and completed a course in [CodeAMNH](#), a course in the [Science Alliance Program](#) or [Science and Nature Program](#)

Financial Support: \$1,000 upon completion of research and program requirements

Link:<https://www.amnh.org/learn-teach/teens/science-research-mentoring-program>

The GOALS for Girls

Application Deadline: March 14, 2022

Program Summary: This free intensive STEM program promotes the awareness of science, technology, engineering, and math and nurtures leadership and social skills through dynamic mentorship opportunities, field trips, developing presentations, communication skills, and meeting influential women in STEM. Upon completion of the summer program alumni are given opportunities to participate in paid internship-mentorship programs and free events are offered throughout the school year. Those who complete the internship will receive a certificate of completion, ongoing support and access to resources.

Important things to note:

Host Organization: Intrepid Museum

Program Dates: July 11-August 19, 2022 (Monday- Friday) 9am-3pm

Eligibility Requirements: Applicants must be in 9th grade, identify as female, live in one of the five boroughs of NYC, commit to the six week program, and attend a virtual or in-person interview with a staff member of the Intrepid Museum

Financial Support: Participants will be given a combination of unlimited monthly and weekly MetroCards, and lunches

Application Materials: Online application; copies of official transcripts, copy of COVID-19 vaccination status, sample of student work showcasing their abilities through written or video submission, recommendation from an adult (optional)

Link:<https://www.intrepidmuseum.org/education/goals-for-girls#1>

SUMMER RESOURCE GUIDE 2022

[Program Title: Summer Junior Medical Program \(JUMP\)](#)

Application Deadline: March 31st

Program Summary: Students will learn from health care professionals, in both clinical and nonclinical areas. You can watch the daily activities and responsibilities involved in running a hospital. To participate in this eight-week program, we need a 100-hour commitment. For more information contact slrhcvolunteersrvs@chpnet.org

Important things to note

Host Organization: Mount Sinai St. Luke's Hospital or Mount Sinai West Hospital

Program Dates: Varies

Eligibility Requirements: Ages 15-17

Application Materials: Application, short essay, letter of recommendation or reference and interview

Link: <http://www.mountsinai.org/locations/st-lukes/about/volunteer>

Hospital for Special Surgery Volunteer

Application Deadline: Rolling Admission

Program Summary: Hospital for Special Surgery believes that volunteers are an integral part of the HSS family. Currently, they have over 300 volunteers ranging from high school students to retirees who provide assistance in different areas of service. You will find volunteering at HSS to be a beneficial and rewarding experience for not only the individual but also the HSS community.

Important things to note

Eligibility Requirements: 16+ and must be vaccinated

Application Materials: Resume, cover letter and interviews

Link: <https://www.hss.edu/volunteer-in-new-york-city.asp>

New York-Presbyterian Hospital Volunteer

Application Deadline: March 31st, 2022

Program Summary: There are a variety of volunteer roles to fit individual time schedules, abilities and interests. Volunteers may work directly with patients or choose an assignment behind-the-scenes in clerical positions throughout the hospital.

Eligibility Requirements: 16+

Program Dates: A commitment of at least 120 hours for 8-10 weeks is required

Link: <https://www.nyp.org/volunteer/summer-volunteering>

SUMMER RESOURCE GUIDE 2022

ELA (English & Language Arts)

Urban Journalism Workshop **Application Deadline: April 2022**

Program Summary: The Urban Journalism Workshop at New York University is designed to develop the next generation of great journalists. A diverse group of 20 high school juniors and seniors attending schools throughout the five boroughs of New York City or in nearby suburbs of the Tri-State metropolitan region (New York, New Jersey and Connecticut only) will come together to spend 10 days attending an intensive and rewarding journalism “boot-camp” held at the Arthur L. Carter Journalism Institute at New York University.

Important things to note

Host College: New York University

Program Dates: July 18th - July 27th, 2022

Program Cost: Free

Eligibility: Must be in 11th or 12th grade

Application: Online application will be posted March 2022

Link: <https://journalism.nyu.edu/about-us/institute-projects/urban-journalism-workshop/?ref=shortlink>

Program Title: Princeton University Summer Journalism Program **Application Deadline: Monday, February 28th, 2022**

Program Summary: The Princeton Summer Journalism Program gives the opportunity for participants to visit Princeton, attend workshops and lectures and learn skills to produce their own newspaper. Students also have the opportunity to tour major news organizations, such as The New York Times, Huffington Post and Bloomberg; cover a professional sports event; film and produce a short documentary; attend a film or theater production; conduct an investigative project; report, write, edit and design their own newspaper and so much more. In the weeks prior to visiting campus, students complete weekly reading assignments to stay abreast of current events, begin preparing their stories, and work with their assigned college counselor to complete components of their college applications.

Important things to note

Host College: Princeton University

Program Dates: July 29-August 8th, 2022

Eligibility Requirements: Minimum unweighted GPA of 3.5; a junior at the time of application; meet one of the following:

- the combined income of your custodial parent(s)/guardian(s) plus child support payments must not exceed \$60,000
- qualify for free or reduced-price lunch in your high school
- qualify for an SAT or ACT fee waiver
- Must be vaccinated

Financial Support: All expenses paid (includes air or ground transportation to and from campus, housing, meals, and equipment for assignments)

Application Materials: Online application (including two 150 word length and one 400 word length essays related to journalism); official high school transcript; income tax return form; recommendation letter from a teacher; high school profile

Link: <https://www.princeton.edu/sjp/>

SUMMER RESOURCE GUIDE 2022

EDUCATION & SOCIAL SERVICES

City Harvest Volunteer

Application Deadline: Rolling Admission

Program Summary: City Harvest volunteers help ensure that good food doesn't go to waste. Whether you have experience in teaching and nutrition, are interested in working with local farmers, or simply want to give back to your community, your passion and time are important resources in the fight against hunger.

To apply, email volunteerservices@cityharvest.org or visit <https://www.cityharvest.org/>

Important things to note

Host Organization: City Harvest

Eligibility: Volunteers under 18 must be accompanied by a parent or legal guardian to the volunteer orientation and are required to have a chaperone at all volunteer projects. Before registering for an orientation, please reach out to volunteerservices@cityharvest.org to review the requirements for youth volunteering.

DOROT Summer Teen Internship Program

Application Deadline: Rolling Admission

Program Summary: DOROT chooses up to twenty interns for each session. Sophomores, juniors and seniors can intern with a diverse group of socially conscious peers to bring vital social connections to older adults. Through one of four summer teen internship programs, you can develop leadership skills and engage in meaningful programs with older adults. Through a variety of intergenerational activities – including discussion groups, home visits, creative arts and tech assistance – you can give back to the community this summer while earning over 112 community service hours.

Important things to note

Host Organization: DOROT

Program Dates: Two Sessions: Session 1 - June 27th - July 21st; **Session 2** - July 26th - August 18th; Hybrid, Monday through Thursday 10am to 4:30pm

Financial Support: unpaid internship

Eligibility: Rising sophomore through rising seniors; **Session 1** is for teens who identify as Jewish, or have a parent or grandparent who identifies as Jewish. **Session 2** welcomes all teens

Link: www.dorotusa.org

Sadie Nash Leadership Project Summer Institute

Application: Will be available in March

Program Summary: Sadie Nash Leadership Project is a 6-week program for self-identified young women, trans, gender fluid, and gender non-conforming people currently attending high school. Through this program, participants question and redefine traditional notions of leadership by engaging in courses about society, identity, and social justice. "Nashers" partake in weekly workshops, attend field trips, and get the chance to meet accomplished women

SUMMER RESOURCE GUIDE 2022

leaders in order to build connections and learn more about leadership. The program also includes social justice classes.

Program Dates: July 5, 2021 - August 13, 2021 Monday through Friday from 10:00am - 4:00pm

Financial Support: \$300 stipend at the end of program

Eligibility: Women and gender expansive youth; must be a resident of NYC; must be enrolled in high school

Application Materials: Online application and interview

Link: <http://www.sadienash.org/summer-institute>

ARTS & MEDIA

Program Title: RECYouth

Application Deadline: Rolling admission

Program Summary: Join an open **free** workshop as a video or audio producer, photographer, graphic designer, animator, or game designer. With the help from experts in these fields, you'll learn to use professional hardware and software to create your own digital media projects. Topics include video production, audio production, graphic design, game design and photography. The program takes place inside media labs, located inside recreation centers. By the end of each session, you will have completed a video, audio track, design project, game, animation, website, or app, and will have an opportunity to share your work at a citywide celebration! The curriculum varies by location.

Important things to note

Host Organization: NYC Parks Department

Program Dates: Summer session: July–August

Eligibility: Ages 13 to 17 at start of program, committed to the length of program, interest in either film, animation, graphic design, photography, gaming, or coding and membership registration form

Application Materials: Online Registration

Link: [RecYouth: Explore, Design, Create : NYC Parks \(nycgovparks.org\)](https://www.nycgovparks.org/programs-services/summer-program)

Young People's Chorus of NYC Internship

Application Deadline: Rolling Admission

Program Summary: The Young People's Chorus of New York City (YPC) provides volunteer internships for students interested in gaining experience in the field of non-profit performing arts management and strengthening the role that music plays in society. Interns will assist in a variety of exciting projects related to YPC's international and domestic programs, ranging from archiving the extraordinary history of YPC to being an integral member of the concert production team. Interns will have the opportunity to work closely with YPC's Development, Administrative, and Production staff.

Important things to note

Eligibility : No prior experience in music or arts management is required. Responsibilities are scaled to the ability of each intern. Interns are required to commit to a minimum of 1-2 days per week during office hours, M-F 10 a.m. to 6 p.m.

Application Materials: Please send your cover letter and resume to careers@ypc.org.

Link: <https://ypc.org/interns/>

SUMMER RESOURCE GUIDE 2022

Program Title: Artslife at the Museum of Arts and Design

Application Deadline: April 3rd, 2022 at 11:59 pm

Program Summary: Artslife is a paid summer internship program for rising sophomores and juniors that combines art and design with leadership training, museum studies, and community engagement. The first week of the program focuses on team bonding and introducing interns to the museum. In the remaining five weeks participants work on projects with Museum staff, local designers, and arts professionals who act as mentors. Throughout the course of the program participants will learn about careers in arts, create art with local and visiting artists, create a podcast series and more.

Important things to note:

Program Dates: July 6-August 12th, 2022 from 10 am-3 pm Tuesdays through Fridays.

Eligibility: Entering 10th or 11th grade in Fall 2022

Application Materials: Online application, and one letter of reference from a teacher, guidance counselor, community leader, mentor or coach

Financial Support: \$15/hour and receive a free metrocard

Link: <https://madmuseum.org/programs/teen-programs-mad>

SPORTS & RECREATION

Henry Street Free Basketball Clinics

Program Summary: Do you want to learn how to dunk, dribble, and pass – or improve your existing basketball skills? Henry Street's Boys & Girls Republic (BGR), located at 888 East 6th Street, is hosting free training clinics! For more information, contact Leonor Colon at 212.686.8888 x10 or lcolon@henrystreet.org.

Important things to note

Location: Henry Street Settlement (Lower East Side)

Eligibility: Ages 12-19

Program Dates: SNL Basketball Clinics from 5 to 7 p.m. for participants ages 11-15 and from 7 to 9 p.m. for participants ages 16 to 19; BGR Girls Basketball for participants ages 14 to 19 from 3 to 4:30 p.m

Link: <https://www.henrystreet.org/programs/sports-recreation/sports-programs/>

Program Title: Sunset Park Recreation Center

Program Summary: With your membership you get access to hundreds of different programs, facilities, and activities including fitness and dance courses, game rooms, sports programs and more. Recreation centers operate on seasonal schedules, depending on the type of class being offered. Media Labs are offered for those interested in learning computers and multimedia production, following an independent 6-12 week schedule. Membership is free at all New York City parks and recreation centers for youth under 18.

Important things to note

Eligibility: All ages (must be 16+ to use the weight room) and proof of COVID-19 vaccine

Program Dates: Teen hours are from 3:00 PM to 6:00 PM Monday through Friday and all day Saturday

Application Materials: Recreation Center Membership

Link: <https://www.nycgovparks.org/facilities/recreationcenters/B087>

SUMMER RESOURCE GUIDE 2022

[Program Title: New York Junior Tennis League's Community Tennis Program](#) [Application Deadline: Rolling Admission](#)

Program Summary: Youth receive free tennis instruction from trained coaches in schools and public parks in all 51 New York City council districts year round. Participants should bring sneakers and water. Program members can participate in year-round tournaments and events. For more information contact Scott Daly at tc@nyjtl.org or call 347-417-8177

[Important things to note:](#)

Eligibility: Ages 5-18, Special needs students encouraged to apply and must show proof of COVID-19 vaccine

Financial Support: Equipment provided

Application materials: Online registration

Link: <http://www.nyjtl.org/programs/free-tennis/>

MUSEUMS, LIBRARIES, ZOOS, PARKS & GARDENS

[Program Title: Forest Project Summer Collaborative at Wave Hill](#) [Application Deadline: March 20th, 2022](#)

Program Summary: This paid summer internship gives the opportunity to learn about ecology in an urban setting. Throughout the summer, interns gain hands-on field experience and participate in dynamic, field-based coursework. Intern will be building and maintaining woodland trails, removing invasive plant species, shoring up eroded slopes, and helping to document the process of restoring the disturbed woodland toward a more balanced state. Students are able to earn three college credits upon successful completion.

[Important things to note](#)

Program Host: Wave Hill (Bronx)

Program Date: June 28th to August 19th, 2022 (Monday through Friday), from 9AM to 5PM

Eligibility: Must be 16 years old by June 15, 2022, currently in 10th or 11th grade and have a strong academic record, especially in the sciences

Application: **Step 1:** Online application; essay questions **Part 2:** Apply to New York City's Summer Youth Employment Program lottery listing our partner (Children's Arts & Science Workshops, Inc. (Bronx)) as your provider

Financial Support: First-year interns earn approximately \$2,275

Link: <https://www.wavehill.org/education/youth-internships/forest-project>

[Program Title: Project True Field Research Assistant Intern](#) [Application Deadline: March 15th, 2022](#)

Program Summary: Spend your summer conducting field research in NYC with a team of college students and scientists from Fordham University and the Wildlife Conservation Society. Interns will contribute to ongoing research projects that improve our understanding of NYC wildlife, collaborate with Fordham University and WCS scientists,

SUMMER RESOURCE GUIDE 2022

design and conduct an original research project under the mentorship of a Fordham University Undergraduate Student, present research findings to the scientific community and the general public and more.

Important things to note

Program Title: Gowanus Green Team

Application Deadline: March 15th, 2022

Program Summary: Join the Gowanus Green Team, a team of high school apprentices engaged in environmental stewardship, green infrastructure, urban conservation and more. Apprentices participate in classroom lessons, field work, training and trips to parks and restoration areas in Gowanus and around NYC. The team will explore themes including Gowanus Canal history, ecology, stormwater management, urban forestry, environmental justice, waste management, urban design and horticulture.

Important things to note

Host Organization: Gowanus Canal Conservancy

Eligibility: Currently in the 10th and 11th grade and proof of COVID vaccination

Program Dates: Spring + Summer 2022 (exact dates will be posted soon)

Financial Support: Paid \$15/hour

Application Materials: Online application

Link: <https://gowanuscanalconservancy.org/green-team/>

Program Title: The Ranger Conservation Corps Internship

Application Deadline: Rolling Admission

Program Summary: The Ranger Conservation Corps is a great urban environmental internship for high school students who are interested in the natural world or environmental issues. Interns gain experience while working with the Urban Park Rangers on environmental restoration in natural areas in our flagship parks. Participants may go on exciting field trips including canoeing, overnight camping, and more. Interns receive community service hours, and the experience looks great on a college application!

Important things to note

Application Materials: Contact the Ranger Conservation Corps and the Urban Park Rangers will work with you to get

SUMMER RESOURCE GUIDE 2022

you placed at a park location with a schedule that works for you. You may also call 311 (or 212-NEW-YORK, if you're outside of NYC) and ask for the Urban Park Rangers.

Program dates: Two sessions offered each year (in the fall and spring). Each session lasts approximately eight (8) weeks. The program occurs one day a week, on a school day afternoon for 2 to 2.5 hours.

Program Title: Brooklyn Museum Summer Internship

Online applications for the summer internship program will be open February 28–April 2, 2022

Program Summary: As a Brooklyn Museum intern, you'll join a dynamic group of other emerging arts professionals to re-envision the future of museums while gaining workplace skills through hands-on, real-world projects. The goal is to provide interns with the most current methods and tools that are relevant to your field and interests, assign projects that are tailored to support your personal and professional growth, and provide space for critical dialogue that challenges the role of museums today.

Important things to note

Program Date: May 31–August 5, 2022

Eligibility: Proof of vaccination

Application: Online application and references

Link: <https://www.brooklynmuseum.org/education/adults/internships>

Program Title: Student Historian Internship Program

Application Deadline: April 10, 2022

Program Summary: Student Historian interns are high school-aged students who use the resources of New-York Historical to conduct exciting research on untold yet highly relevant histories. Interns meet with historian mentors and take trips to history archives around the city. Interns will develop leadership skills through leading gallery tours and producing creative digital projects that cover stories that aren't well represented in history books today.

Important things to note

Host Organization: New York Historical Society Museum and Library

Eligibility: Must be entering grades 10 through 12 or entering college in the following fall; must live in NYC, New York State, New Jersey, or Connecticut; must obtain parental consent

Financial Support: Unpaid unless financial need is demonstrated; stipend offered in this case

Program Dates: July 5-August 11th, 2022 (Tuesdays through Thursdays) from 10 am - 3pm

Application Materials: Online application, **one** teacher recommendation

Link: <http://www.nyhistory.org/education/teen-programs/student-historian-program>

Program Title: Volunteer Opportunities at the Brooklyn Public Library

Application Deadline: N/A

Program Summary: The Brooklyn Public Library offers many volunteer opportunities for individuals who wish to gain experience in a library setting. The Library's various volunteer positions include becoming a Book Buddy, a Librarian of Tomorrow, an After-School Homework Helper, and a member of Today's Teens, Tomorrow's Techies. Spread the love

SUMMER RESOURCE GUIDE 2022

of reading, learning, curiosity, and tolerance and improve your local branch library by joining more than 2,000 volunteers who share their time, skills, and energy to strengthen the library community.

Important things to note

Eligibility: Ages 12+

Application Materials: online application and interview

Program Dates: Vary

Link: <https://www.bklynlibrary.org/support/volunteer>

Program Title: Prospect Park Alliance

Program Summary: The Alliance offers a range of ways for individuals to volunteer in the Park. Help support an important Brooklyn resource, while meeting new people and being part of a community of 2,500 volunteers. Teens are able to join volunteer opportunities with signed parental consent.

Important things to note

Application materials: Online application (volunteer profile) and a signed Parental Consent Form .

Eligibility: Ages 14-17

Program Dates: Vary (Volunteer season runs April-November)

Link: <https://www.prospectpark.org/get-involved/volunteer/individual-volunteer-opportunities/>
